Dear Mr. Patton:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Your amended report fails to disclose disbursements previously itemized on your Amended Year End Report (7/1/05-12/31/05), received 3/2/06. Please be advised that when amending an electronically filed document, you must submit a complete version of the report, rather than just those portions that are being amended. Please resubmit your report to include any omitted activity or provide clarifying information as to why this activity was omitted from this amended report. 11 CFR §104.18(f)

-Commission records indicate that your official address is different from the address disclosed on the Summary Page of your 2005 Year End Report. If your committee has changed its address, please disclose the new address on an amended Statement of Organization or check the address-change box on the Summary Page of your report to indicate an address change. Please provide clarifying information regarding this discrepancy.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
